SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Examiner:

Pursuant to 37 C.F.R. Section 1.97-1.98, applicant wishes to make the following information of record in the above-identified application. Applicant recently learned of the existence of the hoist shown in the attached pictures. This hoist was observed at Elliot Equipment in Lincoln, Nebraska. Applicant used its best efforts to investigate the origin, date of manufacture and location of manufacture of the hoist shown in the photographs. Unfortunately, Applicant was unable to learn definitively the date and location of manufacture of the hoist and was unable to determine if any such hoist designs were commercially used, offered or sold in the United States prior to January 28, 2004. Applicant did determine that Elliot Equipment is a dealer for New Way company and that Elliot received the hoist shown in the pictures from New Way approximately two years ago for use as a demonstration model. Regardless of the specific facts surrounding the hoist shown in the photographs, Applicant submits that the device is only cumulative of the prior art before the Examiner. Applicant believes that these photos may be

material to the Examiner's consideration of the pending claims. A completed Form PTO/SB/08B form is enclosed.

Respectfully submitted,
